

myscouts: Create a Profile

These instructions are for creating a profile only.

Registration requires additional steps.

Who? An adult new to Scouting as a parent, volunteer or other member.
(i.e. Someone who does not already have a myscouts account.)

What? Create a personal user profile for yourself.

Why? You must have your own profile before you can register your child or yourself, and/or complete training.

Here's how:

Go to www.myscouts.ca

Click on the sentence beside number 2.

Find or Create your Account

- 1 If you or your child have ever registered or taken training with Scouts Canada Click here to find your account.
- 2 If this is your first experience with Scouts Canada Click here to create an account.

Note to parents:

To renew your child go to the "My Family" tab in "My Profile" and select the renew icon. If your child is not showing under the My Family tab, please contact the Help Centre.

For children new to Scouting select the 'Register Member' option from the left menu in "My Profile".

For further information on registrations, Scouting programs and training visit the Online Support Centre for Parents or use the link below to get assistance to register your child.

Check your email address; this will be your username so must be “unique” to you (not already used by someone else in myscouts).

Do you share an email address with a spouse/partner?

Only the first (adult) profile entered in myscouts will be able to use it for login/as a username.

Please consider creating a new email account for one of you so that both will be able to have login-accessible profiles in myscouts.

Account Information

Myscouts will use this email address as your username if it has not yet been used by another user. To check if the email is being used by another user click the 'CHECK' button.
