

MyScouts: Register Yourself as a Rover Scout

Who? An adult (age 18 to 26) who has a MyScouts profile* and is registering as a participant

What? Register yourself as a Rover Scout

Why? Participant roles do not auto-renew; annual registration is needed to maintain membership.

**If you have been previously registered as a participant (under 18 years of age), you may not be able to log into your own profile. Please contact "Support" following the instructions below for help.*

**If you do not already have a profile, please use "MyScouts: Create a Profile instructions" before continuing with these.*

Before you begin, please note:

Rover Scouts, like volunteers, require screening.

If you have been previously registered as a volunteer or Rover Scout but have been away from Scouting for a time or are changing Groups, you require updated screening.

Have details ready for each of five people prepared and willing to provide you (online, through an email invitation) with a reference:

- first and last name
- email address
- daytime phone number (cell/mobile preferred)
- relationship of the individual to you

Preferred references include an employer and/or coworker, people who know you through volunteer experience and/or from a youth-service organization with which you've previously been involved.

No references may be your family members/related to you.

At least two of the supplied references must have known you for at least five years.

Please be sure your references know that they will be contacted via email because you're applying for adult membership with Scouts Canada.

If you require additional help at any time in the process, click:

First "Support" in the upper right of your screen

Then under "Can't find what you're looking for?", "Submit Request".

Here's how to register:

Go to www.MyScouts.ca

Input your email address and password.

Click "Login".

If needed: use "I Forgot My Password" to reset your account.

The screenshot shows the 'Find a Scouts Group Near You!' page. At the top, there's a map with location pins. Below the map is a red banner with the text 'Click here to go to our group locator ▶'. The main content area is divided into two sections. On the left, there's a 'Login to myscouts.ca!' section with fields for 'Your Email Address: *' and 'Your Password: *', a 'Login' button, and a link for 'I Forgot My Password'. On the right, there's a text box explaining that online registrations reduce the workload of Scouters and a link to 'Click this link online registration questions and answers.' Below this is a section titled 'Find or Create your Account' with two numbered steps: 1. 'If you or your child have ever registered or taken training with Scouts Canada Click here to find your account.' and 2. 'If this is your first experience with Scouts Canada Click here to create an account.'

I Forgot My Password prompts an email to be sent to your address from helpcentre@scouts.ca that includes a one-time login link to get you back into your account.

Once in, be sure to set and save a password.

Method One: Renew – May to Early Fall only for continuing members

The Renew icon is available on the "My Family" tab from the opening of spring registration (for the next Scouting year) until mid-fall to begin a registration to the same Scout Group (even if changing age-range "Sections").

- If you are trying to renew within this time-period and the icon does not appear, please use the "Support" feature outlined above for help.
- If registering outside this period, please use the "Register Member" method later in these instructions.

If the Renew icon appears beside your name and you will continue with the same Scout Group (even if changing age-groupings), click the icon to begin registration for the next Scouting year.

The screenshot shows the 'My Family' tab selected. Below the tabs are three icons: a person, an information icon, and a 'Renew' icon (a person and a group). Below the icons is a table with the following columns: Name, Relationship, Organization, Role, and Status. The table contains one row with the following data: Name: Your name, Relationship: Myself, Organization: 1st Expedition Crew, Role: Rover Scout, Status: Active.

Name	Relationship	Organization	Role	Status
Your name	Myself	1st Expedition Crew	Rover Scout	Active

After clicking to “Renew”, you’ll be shown all Sections in your current Group – including hints as to:

- the Section with which you are currently registered and
- which would be age-appropriate for the new Scouting year.

Click to “Register” in the Section of your choice to begin a new-year registration.

Registration Year: September 1st, 2018 to August 31st, 2019

Add Reference

As indicated at the beginning of these instructions, Rover Scouts require screening including five (5) personal references that can speak to your character – none of these may be your family members/related to you. An employer and/or coworker, teacher/professor, people who know you through volunteer experience and/or from a youth-service organization with which you've previously been involved are preferred options.

At least two of the supplied references must have known you for at least five years.

If you've been involved with Scouting before, you may use Scouting references.

For each, click "Add Reference" then input the mandatory field information:

- first and last name
- email address
- daytime phone number (cell/mobile preferred)
- relationship of the individual to you

Do not enter false information.

If you've started your registration without having five references with email addresses, the information can be sent later to your Group Commissioner or Registrar to be entered but this does delay the screening process.
